

The Positron Group

About Us

The Positron Group of Companies was established in Kalgoorlie in Western Australia in 1987 and its workforce has grown to over 550, with approximately 10% of its personnel undertaking Apprenticeships and Traineeships.

The Group is a provider of electrical, mechanical and hydraulic services to the construction and maintenance areas of the mining, resource and infrastructure sectors.

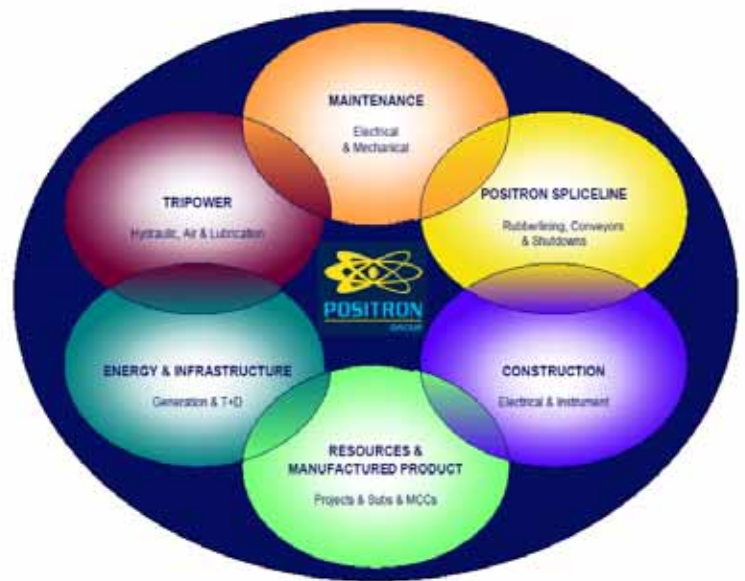

The Positron Group of Companies is a privately and wholly Australian owned business. Our annual turnover for the 2006 / 2007 financial year was \$126M and our budgeted annual turnover for the 2007 / 2008 financial year is in excess of \$140M.

The Group consists of five (5) divisions which incorporates:

- Positron Trident Pty Ltd
- Positron Power Pty Ltd
- Positron Spliceline Pty Ltd
- Positron Rutherford Pty Ltd
- Tripower Pty Ltd

The Group has offices throughout Australia Western Australia, Victoria, New South Wales and Queensland.

The Positron Group continues to grow and diversify and to maintain long-term and strengthening relationships with major clients who include Rio Tinto, BHP Billiton, Xstrata, Anglo Coal, Freeport Indonesia, Newcrest Mining, Perseverance Corporation, Barrick Gold (Porgera JV-PNG), Transgrid and Delta Electricity.

In 2007 the Positron Group celebrates the provision of services to industry for 20 years.
