

Policy. 7

# QUALITY POLICY STATEMENT

THE POSITRON GROUP is a trade based engineering company and we provide services in the design, manufacture, installation, commissioning, servicing and maintenance areas of electrical services for the maintenance and construction services to industry.

THE POSITRON GROUP's objective is to provide the highest possible standard of electrical services to the maintenance and construction services in satisfying the needs and expectations of the customer in a cost effective manner.

In fulfilling this objective it is the policy of THE POSITRON GROUP to implement a quality management system in accordance with AS/NZS ISO9001 2000 throughout our company's operations. This management system will ensure that all of the company's activities shall be carried out in a planned and systematic manner which will ensure the prevention, rather than detection of non-conformances.

THE POSITRON GROUP's aim through continuous improvement and Quality Assurance/Quality Control is to deliver a superior service or product to our client by maintaining our competitive edge.

Our mission at THE POSITRON GROUP is to maximise our customers' return by providing excellence in maintenance and construction services which exceed accepted industry standards and ensure our clients' requirements are satisfied in terms of conformance, performance and warranty.

Quality is the responsibility of all employees within our organisation and THE POSITRON GROUP is fully committed to the implementation of this policy. All employees are requested to comply with THE POSITRON GROUP's quality policy and objectives as defined in our company quality manual.

JEFF HOGAN  
CHIEF EXECUTIVE OFFICER
